NuCedar Shingles in RoughSawn™

Wordly Gray

The beauty of a cedar shingle isn't apparent until it's firmly fastened to the wall among hundreds of other shingles. No two shingles look quite the same—because they aren't.

Because Mother Nature doesn't allow shingles to look alike, neither does NuCedar.

Available in 14 standard colors or custom PPG Paint colors

SUPER WHITE	WOOL SKEIN	BASKET BEIGE	ARGOS	ANTIQUE WHITE	WORLDLY GRAY	WHOLE WHEAT
INTELLECTUAL GRAY	CEDAR	SVELTE SAGE	QUIVER TAN	ALEUTIAN BLUE	COASTAL PLAIN	BRACING BLUE

NuCedar Shingles

NuCedar Shingles accurately capture the natural beauty and charm of precisely tapered, resquared, and rebutted cedar shingles. With no two shingles produced exactly the same, craftsmen are able to create the quilt-like patterns once only possible with natural cedar.

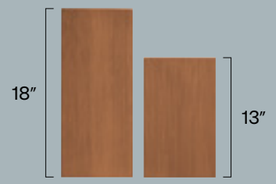

Available in 14 traditional colors.
